Market Square Concerts Season 2023-24

Great chamber music for your mind and heart

Chamber music concerts are unique in their intimacy and closeness between artists and listeners. Having to limit human interaction during the pandemic reminded us just how vital and precious human connection is in our lives. From celebrating resilience and commemorating tragic events of the Kristallnacht, to exploring soulful sonorities of a cello quartet and symphonic range of a piano duo, we look forward to sharing another season of memorable performances with you and hope that you will share these experiences with family, friends, and colleagues.
