Galvin Cello Quartet

Duo Chinoiserie

**Market Square Concerts is proud to support youth in our community through the following initiatives:**

We offer free educational presentations and performances by world-class artists and ensembles for children under the age of 18.

We are committed to ensuring that children in our community have access to the same level of artistic excellence enjoyed by their peers in large metropolitan areas.

We provide free tickets to children under age 18, along with a discounted \$10 ticket for one accompanying adult, for all three MSC Summermusic concerts and six Season Concerts.

#### FREE Soundscape Events
